Presentation

When the Annual Staff of 1949-50 was organized at the beginning of the session, its members became immediately aware of a greater significance of the annual for this particular year—a year unusual in the history of Stephens City High School. First, this year's Senior Class is the initial class to be graduated under the new twelve-year educational system, and second, this year marks the final session of the existence of Stephens City High School as an institution of secondary education. The Staff and Senior Class felt that, in view of these facts, this edition of the annual should be a chronicle or history in brief of the years during the life of the high school which has meant so much to so many people, from the time of its origin in 1916 up to and including the current session.

It is the sincere hope of the Staff members that, as students of the past and present turn the pages of this book, they will feel that they have been a part of the history of our school and that they will relive many pleasant memories and associations at Stephens City High School.

ESTHER WILLIAMS, *Editor-in-Chief*

Dedication

DR. P. B. STICKLEY

For a number of years the size of the proposed Stephens City High School was debated pro and con. One faction fought valiantly for an eight-room building; a second faction maintained that a four-room building would be adequate. The debates concerning this matter were held almost nightly in Lemley Brothers' Tailoring Shop. The leaders of those in favor of the larger building were Dr. P. B. Stickley, Mr. R. A. Lemley, Mr. Atwell Guard, Mr. Hawkins Orndorff, and Mr. William Painter.

Of this farsighted number only Dr. P. B. Stickley is now living and to him, as a representative of the group who fought to provide ample educational facilities for the youth of this community, we dedicate this the final edition of the Stephens City High School Annual.

THE SENIOR CLASS OF 1950

Original Plant and its Expansion over the years

Pictured above is the original unit of the Stephens City High School plant. Prior to the construction of this building, in 1916, high school classes were held in a building which was razed to make way for the present Methodist Church, in a building now occupied by Herrell's Antique Shop, and above E. L. Lemley's Store. In 1927 the Agricultural and Home Economics unit was added to the plant. In 1928 a unit intended as an elementary school, but later used by the high school, was added. In 1944 the final unit, the cafeteria-cannery, was constructed.

On June 6, 1936, the original building was partially destroyed by fire of unknown origin, but was rebuilt during the summer and ready for occupancy the following September.

In 1930 and '37 the high school population of Frederick County was re-districted and Stephens City High School became and remained the largest consolidated high school in the county. Students from nearly all parts of the county were transported by bus to and from school. At present, four bus runs are required in the transportation of students.

In 1945 a commercial course was added to the general and academic courses; thus permitting the students a wider choice of credits toward graduation.

Serving as principals of Stephens City High School from the session 1912-13, when Stephens City High School was made a standard high school, up to and including the current session have been: 1912-13, J. H. Meek; 1913-14, Milton Hollingsworth; 1914-15 through 1917-18, A. M. Smith, during whose term of office, in 1915-16, the present plant was first used; 1918-19 through 1920-21, J. R. Ware; 1921-22, Love Chrisman; 1922-23 and 1923-24, A. M. Smith returned; 1924-25, Fendall Bowie; 1925-26 through 1929-30, R. E. Aylor; 1930-31, E. G. Cox; 1931-32 through 1947-48, R. E. Aylor; and 1948-49 and 1949-50, P. D. Beable.

The fall session of 1950 will see the abandonment of the present plant for use as a high school when the million-dollar James Wood High School will open its doors to the approximately seven hundred high school students of Frederick County.

Administration and Faculty

Administration Over the Years

MR. MAURICE M. LYNCH

Mr. Lynch served as Superintendent of Schools for Frederick County and Winchester for a period of 30 years from 1887 to 1917. At the same time he practiced law in Winchester and the County. During his long term of service, many notable improvements were made in the educational program of the county and city. In the year 1917 Mr. Lynch resigned to devote his time to the practice of law. After a long and useful life during which Mr. Lynch won the profound affection and esteem of his fellow citizens, he died on March 31, 1944.

MR. LESLIE D. KLINE

Mr. Kline held the office of Superintendent of Schools in Frederick County for eight full terms or 32 years from 1917 to 1949. Mr. Kline received his B. S. Degree from the Virginia Polytechnic Institute and was also graduated from the Law School of the University of Virginia. He later became a member of the Board of Directors of V. P. I. As Superintendent of Schools, Mr. Kline served the county long and faithfully and was untiring in his efforts to produce a better system of education for the people of Frederick County. One of the outstanding achievements of his administration was the consolidation of the Frederick County Schools.

MR. ROBERT E. AYLOR

Mr. Aylor came to S. C. H. S. as principal in 1926 after graduation from the University of Va. He served as principal of S. C. H. S. continuously from 1926-1949 except for 1 year's leave of absence during which he attended Harvard College. He later received his Masters Degree from the University of Virginia and in 1949 was named Superintendent of Frederick County Schools.

Administration and Faculty

MR. PAUL D. BEABLE

Two years ago, in the summer of 1948, Mr. Paul D. Beable was appointed by the Frederick County School Board to succeed Mr. R. E. Aylor as principal of Stephens City High School. In addition to holding the principalship, Mr. Beable, for the past two years, has taught mathematics in the high school.

Mr. Beable was graduated from Toms Brook High School and Bridgewater College. After doing graduate work at both the University of Virginia and George Washington University, he received his Masters Degree from the latter in 1947.

Before coming to Stephens City High School, Mr. Beable served five years in Shenandoah County, Virginia, as teacher of mathematics and athletic coach; two years in Stafford County, Virginia; and as principal of Gore High School in Frederick County for a period of seven years.

MRS. ELSIE HOVERMALE

"Miss Elsie" has devoted the greater number of her years in the teaching profession to Stephens City High School where she has served as assistant principal and teacher of English, Spanish and history for the past thirty-two years. In 1917, she was graduated from Marion College and has since attended the University of Virginia.

MISS JUNE CLINE

Miss Cline became a member of the Stephens City High School faculty at the beginning of this session, 1949-50, after having taught for two years in Salem, Virginia. At Stephens City High School, Miss Cline teaches general science, history and English in the eighth grade.

Paul D. Beable
Elsie L. Hovermale

Administration and Faculty

MR. JAMES C. GORDON

Mr. Gordon became a member of Stephens City High School faculty in the spring of 1941. For the remainder of that session and the entire session of 1941-42, he taught history. He was then transferred to Miller School for the next two sessions, after which he returned to Stephens City High School in 1945 to take the position as instructor of Vocational Agriculture and shop which he has held for five years.

James C. Gordon

MRS. NANCY MANUEL

Mrs. Manuel, having been graduated from Shepherd College in June 1949, began her teaching career at Stephens City High School in September 1949. She has been serving this year as teacher of history in the high school.

*To a small student,
and a wonderful girl.
N. Manuel*

MISS LYNN MARKWOOD

Miss Markwood experienced, this session, her first year at Stephens City High School, as well as her first year in the teaching profession. She was graduated from Mary Washington College in June 1949, and has taught Mathematics during this session.

Best of luck to you.

Lynn Markwood

Administration and Faculty

MR. JOHN WALKER MASSIE, JR.

This year was Mr. Massie's first year at Stephens City High School as well as his first year teaching. He has served this year in the English department.

MR. DONALD L. PERRAULT

Mr. Perrault became a member of the Stephens City High School faculty at the beginning of the session of 1946-47. As instructor in the commercial department, Mr. Perrault has taught classes in typing, shorthand, book-keeping and general business.

*Best Wishes
Donald Perrault*

MISS MARY RUDASILL

Miss Rudasill joined the Stephens City High School faculty at the beginning of the current session in the field of Home Economics. This session marks the beginning of her teaching career, as she was graduated from Madison College in June 1949.

*Best Wishes always,
Mary Rudasill*

Administration and Faculty

MISS ELLA RUDOLPH

Miss Rudolph first came to Stephens City High School for the session of 1945-46 and this year completes her fifth year. She has taught English, geography, general science and biology.

MR. LESTER P. SINGHASS

Mr. Singhass, a graduate of Stephens City High School in 1942, attended Shepherd College. In 1948-49, Mr. Singhass returned to Stephens City High School as the first full-time physical education instructor of the institution.

Put of Luck

L. Singhass

MRS. PEARL STICKLEY

Mrs. Stickley returned to Stephens City High School his session as librarian and history teacher after an absence of a number of years. From 1931-40, she taught history in Stephens City High School.

*Here's wishing you success
in all you undertake!
Pearl Haldeman Stickley
(Mrs. Claude B.)*

Ex-Officio Staff

Ex-Officio Staff

MR. SAM COOK

Mr. Cook has fulfilled the duties of Superintendent of Grounds and janitor at Stephens City High School since the year 1940.

MR. CLARK CARPER

Mr. Carper was employed as assistant to Mr. Cook two years ago in 1948.

Ex-Officio Staff

MR. L. E. CORNELL

Mr. Cornell has served Stephens City High School and Frederick County as bus driver and repair man since 1935. Each day he makes four trips to and from Stephens City High School covering a distance of about sixty-three miles.

MR. CHARLES SANDY

"Charlie" Sandy has operated one of the buses which transports students to and from Stephens City High School over a period of five years. He and his bus travel about eighty miles daily over three different routes in Frederick County.

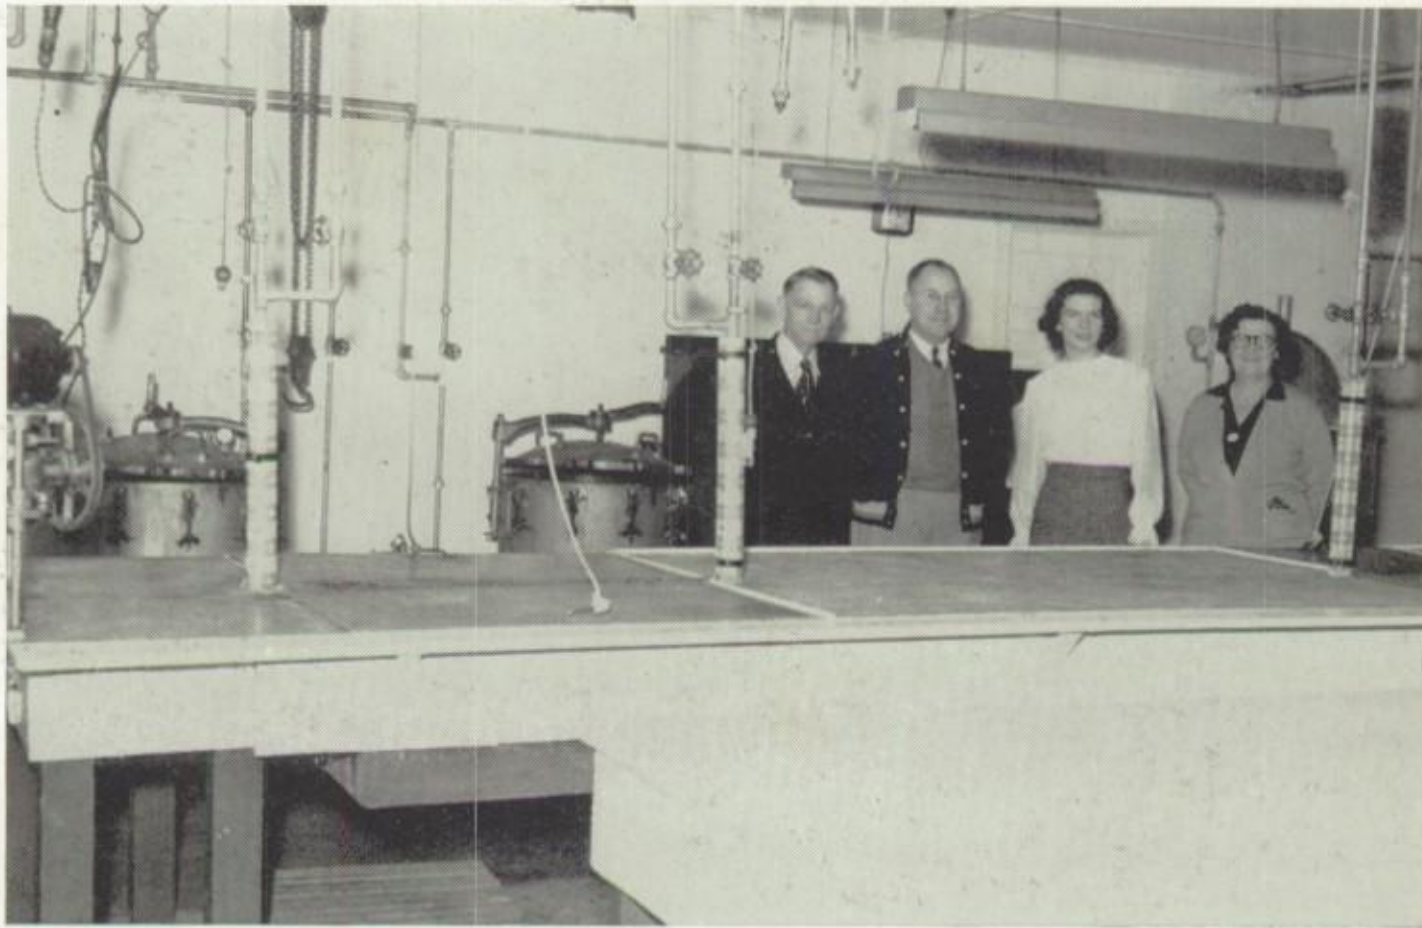

Ex-Officio Staff

THE STEPHENS CITY SCHOOL CAFETERIA

Construction was begun on the cafeteria in May 1944 and it was first used by the students of Stephens City High School the following session. It was built and equipped largely through the efforts of the students, patrons, and teachers of the school and the citizens of Frederick County. It has a seating capacity of about 100 and, by staggering lunch periods, easily accommodates the student body. During the first year of its existence Mrs. C. C. Rhodes acted as lunchroom manager in addition to filling the duties of Home Economics instructor, but, since then, a lunchroom manager has been employed in the cafeteria. For the past two years Mrs. Arbutus Carper has occupied the position with Mrs. Zella Hausenfluck assisting. Many of the students of Stephens City School help in the lunchroom during their study periods.

Ex-Officio Staff

THE FREDERICK COUNTY COMMUNITY CANNERY

In February 1944 a group of civic-minded citizens petitioned the Frederick County Board of Supervisors to aid them financially in the construction of a cannery-cafeteria building. Although turned down by the Board, the group did not give up, but held a mass meeting to secure pledges of financial aid from the citizens of the county and organized a building committee. Through the combined efforts of the people of Frederick County it was possible to begin construction upon the cannery, which, since its completion, has saved the homemakers of the county time, labor and personal health, and enabled them to supply their families with better canned foods. Thousands of cans of fruits and vegetables are preserved in season each year at the cannery. Although the building was financed by the citizens of Frederick County, the modern equipment was donated by the Federal Government.

The cannery operates under the supervision of Mr. James C. Gordon, assisted by Miss Mary Rudasill. Mrs. Bertha Stickley occupies the position as instructor and Mr. Sam Cook acts as engineer.

Alumni Association

The Alumni Association of Stephens City High School was organized in the fall of 1938 at a called banquet at Tokes' Inn under the direction of Mrs. Elsie Hovermale. Since that time the Association has grown by leaps and bounds and at present numbers approximately 95 members. The organization has engaged in many activities both of a social nature and in connection with creating many improvements in the school and community. During the period of its existence it has expended a minimum of one hundred dollars per year for some worthwhile and greatly needed improvements in the school facilities, among which have been the remodeling of the washrooms, visual aid apparatus, blackout curtains, playground and athletic equipment and an electric drinking fountain for the high school building. The Association has sponsored many enjoyable social activities including the annual banquet in the spring and Christmas parties and picnics in season.

Upon being graduated from Stephens City High School a student, if he pays his dues, becomes a member of the Alumni Association. The year 1913 was the first year in which anyone was graduated from a school at Stephens City and that year produced two graduates—Miss Browne Samsell and Mr. Clearence Tevault. Except for the sessions ending in 1914 and 1916, there has been a graduating class every year at Stephens City even though some of them have been quite small. The Class of '42 was the largest graduating class in the history of the school and numbered sixty-one members. A totaled roll call follows of the number of graduates per year including the current term:

1913—two	1932—nine
1914—none	1933—fourteen
1915—three	1934—eight
1916—none	1935—thirteen
1917—ten	1936—twenty-five
1918—two	1937—nineteen
1919—three	1938—twenty-four
1920—seven	1939—forty-five
1921—three	1940—twenty-nine
1922—five	1941—forty-one
1923—twelve	1942—sixty-one
1924—fourteen	1943—twenty-nine
1925—eleven	1944—thirty-three
1926—three	1945—thirty-one
1927—six	1946—forty-two
1928—sixteen	1947—fifty-one
1929—thirteen	1948—forty-four
1930—seven	1949—two
1931—eleven	1950—twenty-seven
TOTAL NUMBER OF GRADUATES	SIX HUNDRED SEVENTY-FIVE

The FHA is a National organization of pupils studying homemaking in junior and senior high schools of the United States and territories. The purposes of the organization are to develop social qualities and promote better home life for its members and their families.

A Home Economics class was first organized at Stephens City in the year 1925 under the direction of Mrs. C. C. Rhodes who devoted 20 years of untiring effort to the building of the Home Economics Department and to the welfare of the entire system. Due to lack of space at the Stephens City School, classes were held in the basement of the bank building for 3 years. The cottage at the high school was first used in the fall of 1928 and has been an important part of the school system since that time.

Mrs. Rhodes continued as instructor at Stephens City through the session 1944-45 and saw the department grow under her direction from a small group of 16 girls to a club enrollment of 79. A number of instructors have succeeded Mrs. Rhodes including Mrs. Crocker in 1945-46, Mrs. Rinker from 1946 through 1948, Mrs. Devers in 1948-49, and Miss Mary Rudasill in the current session.

Future Homemakers of America

The FHA is a very active group and at the beginning of each year sets up a program of work planned by the month. Among their many projects for this year have been the initiation of new members, operation of snack bar to raise money, sending sewing equipment to German students, serving a luncheon to the Lions' Club and the preparation of exhibits for the county fair at which the Stephens City High School girls have always made an excellent showing.

Mr. J. C. Gordon	Advisor

The Future Farmers of America is a national organization that reaches from the state of Washington to Puerto Rico and from Maine to Hawaii. The present F. F. A. was first organized as the Future Farmers of Virginia, which was so successful under the direction of Mr. Henry C. Groseclose at V. P. I., that it was made a national organization in 1928 and was called the Future Farmers of America.

The F. F. A. Chapter of Stephens City was organized in 1926 by Mr. Grover Kinzy and chartered in 1930. There were fifteen members and George Wright was elected the first president. The history of the Stephens City Chapter has been outstanding in winning many honors, among which were placing second in the state chapter contest in 1940 and being chosen as one of the four best chapters in the United States in 1940. Chapter advisors in the past have been Mr. Grover Kinzy, Mr. J. A. McKenny, Mr. R. A. Wall, Mr. Fred A. Dobbins and Mr. J. W. Henderson.

Girls' Softball Squad

Girls' athletic activities have been somewhat neglected over the years, but, in spite of this, the girls have made an excellent showing in those contests in which they have participated.

In February 1939 the Girls' Athletic Association was organized and two teams were formed for play during the school day. In 1944, the girls entered the Clarke-Frederick County Softball League and a loop of contests was scheduled annually each fall which included games involving teams representing Berryville, Boyce, Gainesboro, Gore, Stephens City and Stonewall, with Middletown entering in 1949 and Gore and Boyce dropping out.

In the spring of 1946 Stephens City High School Team won the League Championship with only one game lost, and managed to get one leg on the trophy presented by the Northern Virginia Daily. In the four following seasons, the Stephens City Nine placed second after having it out with Gainesboro with whom Stephens City always seemed doomed to tie for first place. Past scores of games with Gainesboro have been: in the fall of 1946, Gainesboro—14, Stephens City—11; in the fall of 1947, Gainesboro—17, Stephens City—16; in 1948, Gainesboro—14; Stephens City—6. The trophy, after the play-off in 1948, went permanently to the Gainesboro Team.

The line-up, schedule and results of the current season follow:

LINE-UP

Catcher	Rosa Showalter
Pitcher	Dorothy Boone
First Base	Peggy Hoover
Second Base	Donna Combs
Third Base	Betty Clark

Football Squad

The coming of organized football as an activity at Stephens City High School was long postponed due largely to the fact that the student body has been too small to support it, at least in its eleven-man form. However, in the spring of 1945 under the direction and coaching of Mr. Aylor and Mr. Gordon, a six-man team was organized, and was entered in the District L League. In 1946 Mr. Melton Wright joined the faculty and aided Mr. Aylor and Mr. Gordon in the job of coaching the team. The first two years found the team struggling to make a showing in the league and at the end of the first two seasons Stephens City was near the bottom of the League. In 1947 with Mr. Chester Wedell as coach, the Stephens City High School team won the District L Championship and Stephens City was well on its way in becoming a worthy competitor on the football field. In September 1948, Mr. Lester Singhass came to Stephens City High School as the first full-time physical education instructor and coach and started off the season with what amounted to a completely new team as a result of the graduation of the members of the former championship squad. Since it takes time to develop a seasoned team, 1948 was not a too successful season. During the latter part of the 1949 season, however, the team showed much improvement and placed fourth in the District L League.

The schedule for the current season follows with accompanying scores:

Sept. 30	Stanley vs. Stephens City	home
	0 48	
*Oct. 7	Clarke County vs. Stephens City	home
	38 0	
*Oct. 14	Woodstock vs. Stephens City	away
	44 12	
Oct. 21	Hedgesville vs. Stephens City	home
	14 6	
*Oct 28	Stonewall vs. Stephens City	home
	47 7	
*Nov. 4	New Market vs. Stephens City	home
	24 48	
Nov. 9	Hedgesville vs. Stephens City	away
	14 38	
*Nov. 11	Toms Brook vs. Stephens City	home
	14 56	
Nov. 18	Shepherdstown vs. Stephens City	away
	14 31	
Nov. 24	Stonewall vs. Stephens City	away
	12 20

Baseball Squad

For a number of years in the earlier history of the school, there were no inter-scholastic contests at Stephens City High School.

In 1939, a baseball team was organized and entered in the Clarke-Fredrick County League. The first three seasons of organized inter-scholastic play were very successful as the team placed second in the League all three years. The fourth year saw the Stephens City nine do even better by winning the League championship to get one leg on the trophy which had to be won two years in succession before it could be permanently retained by any team. In 1944 the Stephens City Team lost its chance at permanent possession of the trophy when the Middletown team nosed them out in a hard-fought game for the championship. This put Stephens City second place in the League. 1946 saw Stephens City next to the bottom in the League, but in '47 the Chiefs were on top again and, at the close of the season were entitled to play in a contest with the All-Stars, a team composed of outstanding players selected from the League contestants. The '48 and '49 seasons were not too successful as the team placed fourth in '48 and on the bottom in '49. Prospects for this spring are good since the larger proportion of the old members of the squad are back and should bring the Stephens City High School rating up near the top again.

THE '49 SCHEDULE

April 14	Berryville vs. Stephens City	away
	4 0	
April 19	Gore vs. Stephens City	home
	8 4	
April 22	Middletown vs. Stephens City	away

The Stephens City High School Boxing Team was organized in the session of 1939-40 under the direction of Mr. R. A. Wall and Mr. R. E. Aylor. Although this was the school's first venture into this field of sport, it did rather well, winning the greater number of bouts. Boxing was abandoned for several years until 1948 Mr. Chester Wedell took over the physical education program and organized a boxing team which tied with Middletown at an exhibition in which other schools in the Clarke-Frederick League were represented. The session of 1949 put an end to boxing in Stephens City High School when the State Department of Education ruled that there would be no more boxing in the high schools of Virginia.

John Larrick
Luther Lowery
Millard Singhas

The first track team of recent years at Stephens City High School was organized in the spring of 1947 under the direction of Mr. Melton Wright. The 1948 team distinguished itself by taking second place in the District L meet held at Handley High School and thus qualifying for the regional meet at Bridgewater College. Again in 1949, Stephens City's team made an excellent showing at the District L meet and also at the Regional Contest held, as before, at Bridgewater College.

The session of 1940-41 was the first year in the history of the school that the students of Stephens City High School enjoyed a school library. That year also saw the employment of a full-time librarian, Mrs. Roy Wisecarver, who organized the first Library Club. Among the activities of the Library Club down through the years have been raising money to purchase books and other equipment, working to make the library a more attractive room, cataloguing and arranging books, mending torn books and assisting the librarian in checking books coming into and going out of the library.

Librarians who have served at Stephens City High School have been Mrs. Roy Wisecarver, from 1940 through 1944; Mrs. M. N. Konklin in 1944-45; Mrs. G. K. Barker in 1945-46; Mr. Melton Wright in 1946-47; Miss Hettie Skelton 1947-49; and Mrs. Pearl Stickley 1949-50.

Hi ya!
Best of EVERY thing to
ya and HAVE loads of
fun this summer.... Swimming
(taken) Loads of luck.
Mary Ann

Remember all the fun we had
when you were cheerleader, too. Best
of luck to you and Babby Always.
Have fun but Be Good! "Pales"

Cheerleaders

Sponsor—MRS. NANCY MANUEL

The 1949-50 cheerleaders include:

Virginia Bailey
Phyllis Campbell
Marian Copp
Elizabeth Courtney
Mary LaRue

Donald Lockhart
Mary Ann McIlwee
Lucille Singhas
Barbara Wolfe

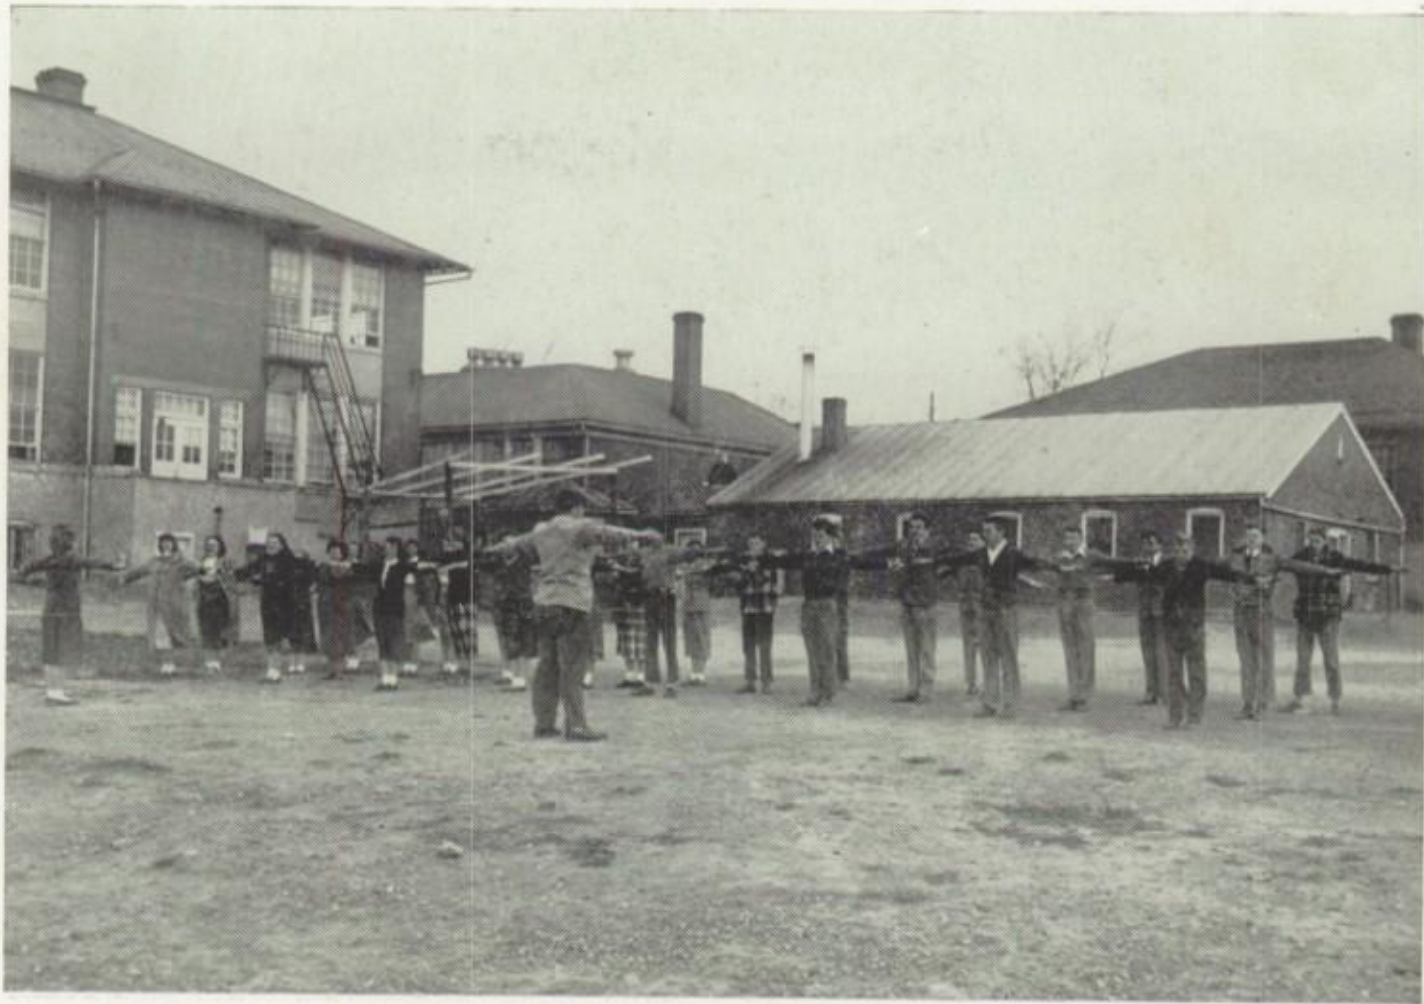

Hurray!
One football
left out a few
I think I've
Wack!!

Organized cheerleading at Stephens City High School has developed along with football. It was begun in earnest during the 1946-47 session and has improved greatly to the present time. The cheerleaders have stuck to their job of trying to build up school spirit among the members of the student body and encouraging the students to back their teams.

Remember the time
that we had when you was
a cheerleader with you-know-who.
Marian.

Best of luck to you
and to.
"Pill" Campbell

Always remember your
Stephens City High School
and your service

Physical Education

For a number of years physical education has been a part of the curriculum at Stephens City High School, and in 1947-48 Mr. Lester Wedell took over the direction of all physical education. He also taught several other classes in the high school. The next session, Mr. Lester Singhass became the first full-time physical education director, and retained the position for the current session.

Physical education is required in the high school for graduation by the State Department of Education unless a student is physically unfit to take it. Its purposes are to develop in the student a stronger, healthier body co-ordination, team work and a sense of fair play.

Beta Club

Harold Whetzel	President
Margaret Brumback	Vice-President
Patsy Barton	Secretary
Nancy Ewing	Treasurer

A chapter of the Beta Club, a National Organization, was set up at Stephens City High School in February of the 1948-49 session under the direction of Miss Betty Jo Wright. The club is composed of Juniors and Seniors whose averages are 87 or above in all subjects and the purposes of the organization are to develop leadership and service. At the beginning of each session the club works out projects to improve various phases of school life and work together toward the successful culmination of their plans in terms of a very challenging motto: Let us lead by serving others. Mrs. Elsie Hovermale was selected by the Club members early in the current session to sponsor and direct the club activities.

The Commercial Department became a part of the curriculum of Stephens City High School in the 1945-46 session and offered to the students of the high school their first opportunity to take shorthand and typing which were instructed by Miss Dorothy Poe. The following year Mr. Donald Perrault took over the Commercial Department and bookkeeping was added to the curriculum. Mr. Perrault in 1948 organized the Commercial Club, the membership of which included all those students taking the commercial courses and this group assumed the responsibility for raising money to supply the Department with needed equipment. The Commercial Club has purchased 15 typewriters, a florescent light for the typing room, bookcases and other materials which have added greatly to the effectiveness of the Commercial Department.

The F. T. A., Future Teachers of America, is a national organization in senior high schools open to all students interested in becoming teachers. Its purpose is to acquaint young folks with the teaching profession and to encourage the well qualified ones to enter the field of teaching. The Stephens City High School Chapter was organized in May 1949 under the direction of Mrs. Elsie Hovermale and was named the Leslie D. Kline Club in honor of the former Superintendent of Schools, Mr. Leslie D. Kline.

After being without a Student Council at Stephens City High School for a number of years one was newly organized during the current session. It is composed of a representative from each homeroom and one from each class organization, making a total of 13 members. The purposes of the Council are to promote personal responsibility, loyalty, and a high sense of honor in the individual and to represent and further the best interests of the student body, in accordance with the underlying principles of self-government and democracy.

The Monogram Club has been in existence at Stephens City High School for a number of years. It is an organization made up of high school students, boys and girls, who have met a minimum of requirements as a member of at least one of the athletic teams, such as softball, football or baseball, or students who have served as cheerleaders. Last year, one of the major activities of the Monogram Club was the drafting and adoption of a Constitution. The group began this session by setting up a program of work for the entire year with the over-all aims of promoting student interest in athletic activities and attitudes of good sportsmanship at all times.

Class Organizations

Senior Class History

FRESHMEN 1946-47

We began our high school careers in September 1946. There was a sufficient number of us to be divided into two homerooms—one sponsored by Miss Roberts with Harold Whetzel as president and the other sponsored by Miss Rudolph with Patsy Barton as president.

SOPHOMORES 1947-48

Our Sophomore year found us all combined in one home-room group with Miss Rudolph as our sponsor. We elected Charles Anderson president and began planning for a busy year. Due to the introduction of a twelve-year system of education in the school, there was no Junior Class this year, and the duties of a Junior class fell to us as Sophomores. We raised money for and held the Junior-Senior Prom at the George Washington Hotel and decorated the churches of Stephens City for the Baccalaureate Sermon and Commencement Exercises.

JUNIORS 1948-49

Our Junior year was made eventful by the fact that we got our rings which we had been looking forward to for a long time. We also began to think about and plan for our Senior year. We elected Randolph Seal as president and Miss Rudolph continued as our sponsor.

SENIORS 1949-50

This year our goal is attained and we are Seniors. Our minds are full of many activities pertaining to graduation—the annual, our prom, the Senior trip and, last but not least, the graduation program when we are handed our diplomas in one of the really big moments of a lifetime.

We elected Dean Baughman president of our Senior Class and once more we were sponsored by Miss Rudolph.

HAROLD WHETZEL, *Historian*

Senior Class Poem

THE RIVER OF LIFE

Life, to me, is like a river.
It's small ever flowing tributaries
Run together
Making a mighty stream.
Once this stream has started
It is much like the life of man,
Making its own course
Through the muddy way of life.

Twelve years ago, even before,
These same tributaries started
Within us.
Thus we set our course!
Now we are wending our way
Toward the mighty river of life.

The first large tributary to help us,
Was the starting of our formal education.
This flow of knowledge was as pure
And refreshing as the mountain stream.

The next important tributary came with
The entering of high school.
This was the largest benefit
To the flow of education.

Some of us may branch to higher learning;
And some may find other streams
To fulfill the needs and desires,
As we journey down the river of life.
But, regardless of the streams we choose,
We have begun our lives with a
Sound and full beginning.

May we continue to make our lives
Full and ever growing,
Until the river of life itself,
Ceases to flow.

LORRAINE MARKER, *Poetess*

Senior Class Prophecy

As we glance at the future, the next five or ten years, to see what the class of '50 is doing, we find a wide variety of activities.

Dorothy Lamp is now happily married to Harry Clark and is successfully managing her mother's store at Kernstown. (Thanks to a background of bookkeeping in Mr. Perrault's class)

Tunney Nicholson, who is a very well-known brick-layer, has also acquired three little mud-mixers to help him in his work.

Bettie Ebersole is employed as secretary in Woodward and Lothrop's of Washington, D. C.

George Giles, who was expected to become manager of Newberry's, has just begun operation of his own blacksmith outfit.

Nancy Ewing, head pharmacist at the Drugstore in Stephens City, is the first woman to hold this position.

Betty Vonn Brill has become a figure of importance and in much demand as a public speaker. She is frequently called upon for after-dinner speeches, talks at P. T. A. meetings, and for lecturing of any kind.

Maureen Hausenfluck is happily married to Kenneth Seal. By the way, they already have one little "Sooner".

Rebecca Loy is married and lives in Gainesboro. She is head secretary for the Carper Manufacturing Company of that city.

Randolph, "Baldy," Seal has risen to the position of manager at the Acme Super Market.

Elizabeth Courtney is a nationally known singer, now featured as soloist with Larrick's All-Rhythm Band.

Dorothy Boone is the girls' physical education instructor at James Wood High School. For the past three years, her softball team has won the state championship.

Aline DeHaven is chief telephone operator at the Stephens City Exchange. She supervises a group of 25 regular operators.

Peggy Hoover, although a housewife, has also succeeded in the business world. She is head of the toy department at Montgomery Ward and Company.

Mary Hollar, after graduation from Mary Washington College, is teaching history at the James Wood High School. P. S. She is still taking an interest in agriculture.

Lorraine Marker has opened the most modern flower shop in Winchester and at present is busily engaged in arranging bouquets for her own wedding.

Ruth Grim is head nurse at Winchester Memorial Hospital, where, since 1953, the number of cases of heart failure among male patients has steadily increased. This increase has been traced to the flirty, flirty ways of the head nurse.

Mary Baggerly is a famous torch singer with Freddy Himelwright's Orchestra. They have a year's contract with station WINC and WINC-TV.

As Luther Lowery is now a truck driver, it is harder than ever for the girls to keep up with him.

Ernest Welch deserted his career as a painter in favor of baseball. He is now star third-baser for the New York Yankees.

CLASS PROPHECY—Continued

Although sole owner of his father's farm, Louis Wilson is still having trouble keeping that "Olds" under control.

Dean Baughman, a civil engineer, is working very hard on a bridge between New York City and London, England.

Harold Whetzel, fresh from the Law School of the University of Virginia, from which he was graduated with honors, has just been elected District Attorney of Armel.

Hansel Lindamood's favorite song in '48 was "Wedding Bells". In the spring of '49 it changed to "Slipping Around". It is now "I'll Never Slip Around Any More".

Alfred Snapp, voted most likely to succeed in his senior year, manages his father's farm and is still trying for first prize in the corn-growing contest.

Esther Williams, who has been Mr. Aylor's faithful secretary for a number of years, has retired to spend more time with her family.

Patsy Barton has become a most successful nurse. She is also a talented pianist and performs frequently on the stage of the Municipal Opera House in Winchester.

LINDEN VANN, *Prophet*

Last Will and Testament of the Senior Class

We, the Graduating Class of Stephens City High School, in the year of our Lord nineteen hundred fifty, having been proved of sound mind and body, do hereby bequeath to our successors the following:

Lorraine Marker leaves her love for Charles Town and square dancing to Connie Barham.

Betty Vonn Brill leaves to Mary Cooper the report card with straight A's.

Esther Williams leaves her quiet and dignified, lady-like manner to Mildred Kirk.

Linden Vann leaves his dry wit and keen mind to Eugene Grove.

Hansel Lindamood leaves his skill for one arm driving to Pat Russell.

Alfred Snapp leaves his job as bellboy to anyone who will have it.

Maureen Hausenfluck wills her love for one of the Seals to JoAnn Wilson.

Randolph Seal leaves his ability to hold an office to Charles Coates.

Dorothy Lamp leaves her job as office girl to Patsy Smith.

To Margie Golladay, Dorothy Boone leaves her love for sports—softball of course.

Nancy Ewing leaves her love for all the faculty to Margaret Brumback.

Luther Lowery leaves his enjoyment for keeping late hours to Bobbie Renner.

Ernest Welch leaves his shy and cute way of doing things to Bucky Singhas.

Peggy Hoover leaves her studious way and master mind to Wanda LaFollette.

Bettie Ebersole leaves to Rosie Showalter her ability to be on time and never in a hurry.

Mary Hollar leaves her position as Secretary to the Principal to Ruthie Rinker and the honor of being "Best All Round" in 1951.

Elizabeth Courtney leaves her sparkling personality and her place on the Senior list of Who's Who to Mary Ann McIlwee.

Becky Loy leaves her ability to get in trouble in shorthand class to Frances Wolford.

Dean Baughman wishes to exchange his athletic ability for the Don Juan technique of John Funk. (They both may profit)

Mary Ann Baggerly leaves her tall stature and feminine grace to Betty Keiter.

Ruth Grim leaves her flirtiness, not because she wants to but because she feels they need it, to Barbara Wolfe and Pat Swink.

Louis Wilson leaves his love for skating and his ability to skate to Robert Jones.

Tunney Nicholson leaves his position on the Senior list of Who's Who to Tommy Reardon.

Aline DeHaven leaves her pleasing way of getting along with people to Lois White.

George Giles, with his Don Cupid heart, leaves all his love for the girls to Donald Luttrell.

LAST WILL—*Continued*

Harold Whetzel leaves his intelligence and ability to make good grades without taking a book home to Bill Bailey.

I, Patsy Barton, being of strong will and sound mind, do hereby appoint Shirley Peoples to write the last will and testament of 51—and if that is not possible I leave her my enduring skill.

To Miss Cline we leave a music room and plenty of time to practice for a "Glee Club".

To Miss Markwood we leave a permanent homeroom in the high school building.

To Mrs. Stickley we leave a library in which no classes or study periods ever have to be held.

To Miss Rudasill we leave a first aid tent to be pitched in front of the cottage so that she may better provide for cases of sickness in the school.

To Mr. Singhass we leave physicians stationed strategically at points in the school and on the grounds to take care of the casualties in his Phys. Ed. classes.

To "Miss Elsie" we leave a Senior English class who enjoys memory work.

To Mrs. Manuel we leave a perfectly out-fitted group of cheerleaders who will cheer themselves hoarse at all school activities.

To Mr. Gordon we leave a completely equipped shop and laboratory so that his boys may become the finest farmers in the land.

To Mr. Massie we leave the wish for a cooperative Safety Patrol and a quiet homeroom.

To Mr. Perrault we leave a brand new shining adding machine to use for bookkeeping classes.

To Mr. Beable, we leave the opportunity of being principal of a large high school and a cooperating student body.

To Miss Rudolph we leave the gratefulness of the Senior Class and the opportunity of being Senior Sponsor at James Wood.

To the entire student body we leave our sincere wish that they have as much fun at James Wood as we have had at Stephens City.

PATSY BARTON, *Testatrix*

Hail To Thee, Old Stephens City

Tune: "*Annie Lisle*"

Hail to thee, old Stephens City,
School we love so dear.
Now for thee, old Alma Mater,
We will stand and cheer.

Let us never from her sever,
Speak out loud and bold,
Loyal hearts to her, we're bringing,
Hail to the Blue and Gold.

Now, let's shout the chorus loudly,
Bear the emblem high,
On we march for Alma Ma'er
Singing, Do or Die.

Fair the memories that we cherish,
And forevermore,
Let us raise our voices strongly,
School that we adore.

THELMA MOREHEAD WELCH

MISS ELLA RUDOLPH

For four eventful years Miss Rudolph has carefully guided us. Setting the feet of frightened freshmen on the correct path was the first important step. From that time, she has understood our problems and patiently helped to correct our mistakes. Now that we are seniors, our gratitude is too deep to express, but a pleasant memory of our kind, vivacious sponsor will always be treasured in our hearts.

The Junior Class entered the eighth grade of Stephens City High School in 1946-47 with eighty-seven members under the sponsorship of Mrs. Cecelia League, who continued as their director for two years. In 1948-49 Mr. Kenamond replaced Mrs. League and became the Junior Class Sponsor. At the beginning of the current session, Miss Lynn Markwood took over the direction of the Junior Class whose members have as their major project of the year the planning and the putting on of the annual Junior-Senior Prom.

Eighth Grade

Miss June Cline	Sponsor
Aubrey Clevenger	President
Delores Riggleman	Vice-President
Gregory Orndorff	Secretary
Marie Hoover	Treasurer
Ray Shryock	Reporter
Ronald Herbaugh	Representative to Student Council

An eighth grade was added to the curriculum of Stephens City High School in the 1945-46 session, making a 7-5 school plan. The eighth grade is considered a part of the high school, even though no credits for graduation are offered by the eighth grade courses which are largely remedial and somewhat exploratory in nature. The group, this year, consists of 67 members, who have come to Stephens City High School from numerous elementary schools in the county.

Elementary School

Faculty

MISS MARTHA FUNK

Miss Funk, an alumnus of Stephens City High School, has taught the fifth grade in the elementary school since 1940.

MRS. MARGARET KERN

Mrs. Kern has occupied the position as first grade teacher at Stephens City for a number of years. She first taught at Stephens City from 1935 to 1938. Then, after a leave of absence, she returned in 1944 and has continued in her work up to the present time.

MRS. ADA OPPIE

Mrs. Oppie has been in the teaching profession for many years, but last year was her first year at Stephens City. She teaches fourth grade in the elementary school.

Faculty

MRS. EDYTHE ORNDORFF

Mrs. Orndorff has been second grade teacher at Stephens City since 1946, after having served a number of years as principal of Armel School.

MRS. ELLEN RITENOUR

Mrs. Ritenour has been a member of the faculty of Stephens City High School for three years. She teaches a group of first and second graders.

MISS RUTH SAMSELL

Miss Ruth Samsell became a member of the Stephens City elementary school faculty in 1944. She is the sixth grade teacher.

Faculty

MISS SAXTON SAMSELL

Miss Samsell has occupied the position of seventh grade teacher at Stephens City since 1923.

MRS. BERTHA STICKLEY

In 1927 Mrs. Stickley came to Stephens City Elementary School as third grade teacher.
